## Terms & Conditions

### Lessons

Each lesson is personal, one-to-one in-car training, 60 minutes in duration, minimum 50 minutes of actual driving time. Lesson packages, by mutual agreement, may extend beyond 60 minutes, up to 120 minutes which would be considered two (2) lessons. Occasionally, for efficiency, the time may be less than an hour (e.g., 45 minutes) and will be considered 3/4 of a lesson. Shorter lessons will usually be made up in subsequent sessions.

### Payment

Fees are to be paid in full (cash or cheque) on the first lesson unless other arrangements are made. A two-payment plan can be arranged for the 6 hour and 10-hour lesson packages. If choosing a payment plan, the first installment is required on the first lesson. Post-dated cheques should be issued to ABC Driving School and given to the instructor on the first lesson. All monies must be received or cheques not dated later than two weeks prior to the scheduled road test or the final lesson. A \$40 charge will be applied to each NSF cheque. Booked lessons may be postponed.

### No Show Policy

In case a student fails to show up for a scheduled lesson, a no-show fee of \$75 will be applied, unless 48 hours advance notice of cancellation has been received. Some exceptions may apply at the discretion of ABC Driving School.

### Refund Policy

If a student wishes to discontinue driver instruction, ABC Driving School will refund the unused portion based on the hours completed, minus a \$75 administration fee. The package price is no longer in effect; therefore, the full amount of each lesson will be subtracted from the package rate. Lessons must be taken within one year.

**If a student/client is under any influence of drugs or alcohol the fee will be forfeited.**

### Instructor's Discretion

If a student needs more practice time, the instructor has the right to postpone lessons and road tests. When comes to teaching and demonstrating, the instructor will use control of the vehicle (the steering wheel, brake/accelerator pedals), voice and/or whatever means necessary to ensure safety of the student and all other traffic participants.

### Gift Certificates

Gift certificates must be paid in full and are refundable within a year minus a \$75 administration fee.

**All prices include taxes.** Custom driving packages available.
